Purpose:

TSDC's purpose is to ensure that every educator in the state of Texas engages in effective professional learning every day so that every student achieves. We will accomplish our purpose by advocating for high quality professional learning.

We Believe...

- High quality professional learning is planned, implemented, and evaluated in a way that consistently models NSDC standards.
- People are our most valuable resource.
- Life-long learning is essential for all.
- Quality professional learning positively impacts student learning.
- Quality professional learning promotes and supports positive change for achieving organizational purpose.

Slogan:

We are passionate about adults who learn so students can learn.

About TSDC

The Texas Staff Development Council was established in 1989 as an affiliate of the National Staff Development Council to provide networking opportunities and to promote positive staff development experiences in Texas.

TSDC provides numerous professional opportunities to interface with other staff developers throughout the state and nation, broadening horizons and sharing research, successful ideas, and practices.

TSDC is an affiliate of the National Staff Development Council and is open to any individual interested in staff development.

If you believe...

- ◆ Lifelong learning is essential for all individuals affecting the education of children.
- ◆ Effective staff development is essential for promoting and managing positive change.
- ◆ Quality staff development is a powerful vehicle for achieving organizational goals.
- ◆ It is imperative that organizations invest in the professional development of their most valuable resource -- their employees.

TSDC Membership Benefits

- Professional networking
- Interactive website/electronic newsletter
